

WIRE FORMING

precision wire forming of all shapes and sizes

ACE WIRE has a modern range of machinery with the latest technology in wire forming, giving you a better quality product to suit your requirements. 2D and 3D forming is available for your custom wire forms and shapes.

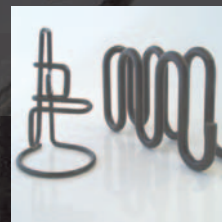

Wire forming

An important part of our business is wire forming to provide made-to-order products up to 12.00mm in diameter for a variety of applications.

Available in HDLC (Mild Steel), Galvanised, Spring, Chrome, Zinc and powder coated finishes.

- Handles
- Brackets
- Wire frames
- Rings
- Reinforcing
- Pockets
- Hooks

Cut & straightened wire

We provide everything in wire right down to the basics, including cut and straightened wire from 2.0mm to 12.00mm diameter, in a range of grades and finishes.
